Method

- 1) Remove the stalk from the apples. Place a wooden skewer through the stalk end. Dip into the melted chocolate and coat. Allow any excess chocolate to drip off.
- 2) If you want to have your apple on the stick decorate holding the stick. Alternatively you can remove the stick and decorate on a work surface.
- 3) Decorate your witches using laces for hair, cones for hats and all the other ingredients for eyes and mouths. Enjoy.
